- 1 **Everyone: Adv & retire twice in a circle** 8  
**House across, lead back** All couples, holding crossed hands, house to the opposite side of the set turning twice. Each lady then turns clockwise under the gent's right arm to finish with his right arm over her shoulder as they continue, leading around to home, where she turns anticlockwise under his right arm as they turn in to face each other in place.
- 2 8
- 3 **Swing** 8
- 4 **Ladies: Wheel** The four ladies join right hands in the centre and dance around, then join left hands to dance back, turning anticlockwise under their own partner's right hand into place. 8
- 5 **Gents: Wheel** The four gents join left hands in the centre and dance around, then join right hands to dance back, each gent turning his own lady clockwise under the left arm as he arrives back almost in place. 8
- 6 **Everyone: House across, lead back** All couples, holding crossed hands, house to the opposite side of the set turning twice. Each lady then turns clockwise under the gent's right arm to finish with his right arm over her shoulder as they continue, leading around to home, where she turns anticlockwise under his right arm as they turn in to face each other in place. 8
- 7 **Swing** 8
- 8 **Cross Chain** Taking right hands, top ladies dance a turn and a quarter around each other in the centre to finish facing the side gents left of their own home position (4 bars). As top ladies turn in the centre, the side gents turn clockwise in place. Each top lady now gives her left hand to this side gent, dancing anticlockwise around him, turning clockwise under his arm while he faces in without turning (2 bars) and then the top ladies cross, touching right hands in the centre, to finish in the lady's place beside the side gent on the right of their own original positions (2 bars). While top ladies dance this chain, the side ladies advance and retire to the top gent on their right, then cross on the inside as he turns clockwise in place, to finish facing him in top lady's position. 8
- 9 **Swing new partners** 8
- 10 **Cross Chain** Top ladies, starting from side positions, now chain around each other again while the top gents turn clockwise in place. This time, the ladies turn under their own partner's left arm and touch hands again as they cross to face the opposite top gent. At the same time, each side lady, starting in a top position, advances and retires to the opposite side gent (now on her right). She then dances over on the inside as he turns clockwise, to face him in place. 8
- 11 **Swing new partners** Ladies should now be in the positions opposite their own. 8
- 12 **Cross Chain** Side ladies now dance the cross chain, starting in opposite side positions, while top gents turn in place. At the same time, top ladies advance to the gent on their right and, as he turns clockwise, cross on the inside to face him. 8
- 13 **Swing new partners** 8
- 14 **Cross Chain** Side ladies, starting in top positions, chain again as side gents turn in place, turning under opposite side gent's arm and crossing back home to finish facing their own partners in place. At the same time, top ladies advance and retire to their own partners and dance across as the gents turn clockwise, to face them at home. 8
- 15 **Swing new partners** 8
- 16 **Adv & retire twice in a circle** 8
- 17 **House** All couples, holding crossed hands, house to the opposite side of the set turning twice. Each lady then turns clockwise under the gent's right arm to finish with his right arm over her shoulder as they continue, leading around to home, where she turns anticlockwise under his 8
